Decisions with reasons:

1. In your RTI application the appellant has sought a copy of audio-visual recordings of the proceedings held on 28.01.2016 and a particular appeal. The CPIO replied dated 25.05.2016 is as under:-

"It is informed that recording of video conferencing of proceeding is not being kept at ours as such information cannot be provided."

The appellant has filed first appeal stating that the recording is required by him for the reason that the written order in the said appeal is completely different from actual pronouncement as made through video conference on 28.01.2016. The appellant is to be intimated that no video/audio recording is being done during the hearings in this Commission and also Commission has not authorised anybody for the recording, hence the CPIO cannot be directed to provide the recording as no such recording is available in the Commission.

2. The appeal is disposed of accordingly.

3. In case the he appellant is aggrieved by the decision, he is free to file second appeal, if he so desires, before the Central Information Commission, Room No. 185, Ground Floor, August Kranti Bhawan, Bhikaji Cama Place, New Delhi-110066 against this order within 90 days.
