**Decision with reasons:-**

1. In the RTI application, the appellant has sought clarification that if the RTI application is not clear to PIO/CPIO, can it be modified or scope of application can be extended. If answer is yet at what stage and if answer is no what is the authority. The CPIO, RTI Cell in his reply dated 01.08.2016 has replied that:-

*".....it is stated that applicant is seeking opinion/suggestion/clarification of the CPIO which is not covered within the definition of information under section 2(f) of the RTI Act, 2005."*

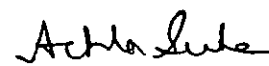

2. The reply of the CPIO is appropriate as CPIO can provide information which is available on record, therefore, no intervention is required on the reply of the CPIO.

3. Regarding the request of the appellant to intimate the name and address of the competent authority for giving opinion in the RTI matter, the appellant may have to consult the legal expert. The appellant may also refer to the RTI portal of the Department of Personnel & Training, Nodal Ministry of the RTI Act for getting more information on the RTI.
