**Decision with reasons:-**

1. In the RTI application, the appellant has sought information regarding the constitution of division bench and full bench in this Commission and she wanted to know her case number before the full bench or division bench. She has also asked for the photocopies of files and notesheets where the decision has been taken on her appeal. Shri M.K. Sharma, Registrar & CPIO vide letter dated 29.08.2016 has replied as under:-

***"Points (i) and (ii): The Chief Information Commissioner constitutes a Division Bench comprising of two Information Commissioners or a Full Bench comprising of three Information Commissioners in appropriate cases.***

***Points (iii): The requested information has to be collected and collated from different case files fixed before a Full Bench and Division Bench of the Commission during the years 2015 and 2016. Such action, if taken, would disproportionately divert the resources of the Commission; hence the requested information is denied under section 7 (9) of the RTI Act, 2005.***

***Points (iv), (v) and (vi): No request for constituting for a Full/Division Bench has been received."***
