1. Brief Facts of the case:-

The Appellant, through his RTI Application, asked for duplicate copy of Order passed by the Commission during the month of July 2018 in respect to a case in which the Appellant himself was the petitioner.

2. Reply of CPIO.

In response to the above RTI Application the CPIO, Shri Ram Kumar, RTI Cell informed the Appellant that "Central Information Commission is the second appellate authority in respect of RTI filed with Department/Ministry under Central Government and UTs of India. You may provide the exact case file number and order date. Or you may go through the website."

3. Ground of First Appeal:

Aggrieved with the reply sent by the CPIO, the Appellant has filed First Appeal with a request to supply the desired copy of the order passed by the Commission.

4. Decision with reasons:

On perusal of the Appeal, RTI application and the reply sent by the CPIO, it is observed that the information asked for by the Appellant is not specific, as he has not given any details of the Second Appeal/Complaint filed by him with the Commission. In absence of the details of the case it is very difficult for the CPIO to ascertain that duplicate copy of which specific order has

been asked for by the Appellant. However, all decisions passed by Commission are available on the website of the Commission and the Appellant himself may go through with them and can obtain the desired copy of the order passed by the Commission, which has already been informed by the CPIO in his reply. Hence the reply sent by the CPIO is as per the provision of RTI Act and therefore, no intervention is required on behalf of the FAA in this matter.

5. The appeal is being disposed of accordingly.

6. In case the Appellant is aggrieved by the decision, he is free to file second appeal, if he so desires, before the Central Information Commission, Baba Gang Nath Marg, Munirka, New Delhi – 110 067 against this order within 90 days.

Dated – 12th October, 2020.
