**Sir,**

Please refer to the letter dated 29.03.2017 received from Shri N. P. Sinha forwarded to the Registry of IC (SH) as an RTI application for disposal. On close perusal of the letter it is seen that it is not an application filed under the RTI Act seeking information rather it is a petition seeking to place the issues raised in this letter before a larger bench for decision. In view of what is stated above the letter is being returned to the Nodal CPIO for appropriated action.
