Subject:- Information under the RTI Act 2005.

Sir,

With reference to your application dated nil received in the registry 28/12/2017 the information in respect of point 1 is furnished below:-

The information sought is not maintained in a desired format. Collating such information would prejudice the normal functioning of this registry. It is also relevant to mention that THE SUPREME COURT OF INDIA in CIVIL APPEAL NO.6454 OF 2011 [Arising out of SLP [C] No.7526/2009] Central Board of Secondary Education &Anr. ... Appellants Vs.

Aditya Bandopadhyay & Ors. ... held as under:

Indiscriminate and impractical demands or directions under RTI Act for disclosure of all and sundry information (unrelated to transparency and accountability in the functioning of public authorities anderadication of corruption) would be counter-productive as it will adversely affect the efficiency of the administration and result in the executive getting bogged down with the non-productive work of collecting and furnishing information. The Act should not be allowed to be misused or abused, to become a tool to obstruct the national development and integration, or to destroy the peace, tranquility and harmony among its citizens. Nor should it be converted into a tool of oppression or intimidation of honest officials striving to do their duty. The nation does not want a scenario where 75% of the staff of public authorities spends 75% of their time in collecting and furnishing information to applicants instead of discharging their regular duties. The threat of penalties under the RTI Act and the pressure of the authorities under the RTI Act should not lead to employees of a public authorities prioritizing 'information furnishing', at the cost of their normal and regular duties.

In case you are not satisfied with the above reply, you may file FA before the FAA, CIC, if you so desire. Address of the FAA is as under
